6. Vice President/Pro Grady Wilson reported that he, Phillip Campbell and Anthony McMaster met with Bill Phillips from STA regarding the USTA's Net Generation program. He again urged all Pros to register a profile with Net Generations online platform ([netgeneration.com](http://netgeneration.com)). POTC and North Bossier Tennis Center are Net Generation facilities. Grady also wanted to remind everyone that POTC will be hosting a National Level 3 18's Tournament this weekend (May 6 – 8). Nationally ranked juniors from across the country will be competing on hard (boys) and clay (girls) courts.
7. Junior Team Tennis is finishing up at Querbes. Robert Verzaal reported 242 competitors. These players need to be entered on jot form, but Robert does not have their home addresses. Community Coordinator Kaye Cochran and 10 and Under Coordinator, Angela Pfanner will assist. Kaye noted that if any of the students already have a USTA number, it makes things very easy to enter them.
8. Rhonda Rubben with FDDOC was pleased to announce that her program received a \$1,000 Southern Diversity Grant. She is also asking Pros if they would please put a box out at their facility for the donation of old racquets. FDDOC is a non-profit so anything tennis oriented (racquet covers, etc.) is welcomed. Angela will also send out an e mail blast to everyone in our CTA. Rhonda also asked if any of the Pros would like to come out and watch her students. There may be some future JV players in the making who need a little more experienced instruction.
