

**2017 Middle School Fall Tennis Program**  
Southern Hills Tennis Center  
1000 West Bert Kouns Industrial Loop

The Middle School Aces Tennis Program, is a coed league in which the students from various middle schools, in the southwest area of Shreveport, come together to learn how to play tennis and later, compete against each other. Players will not be representing their schools, within the league. Instead, each will be grouped with others, of similar skill level, to learn the game and later compete!

Southern Hills Tennis Director, Coach David Kimball and his staff will conduct the league.
