	<u>55 & Over</u>	3 Doubles	

2.01C – Competition Format

2.01C(1) Round Robin. Each NTRP level within a local league shall play at least one round robin competition wherein every team plays every other team. When any NTRP level consists of only two teams, each team is required to play a minimum of three team matches, which is a triple round robin. When any NTRP level consists of only three teams, each team is required to play a minimum of four team matches, which is a double round robin. Any NTRP level may be divided into flights and each team shall play every other team in its flight. The flight winners may enter a playoff structure to establish a local league champion for that NTRP level.

2.01C(1a) The local league coordinator may choose to permit additional matches if agreed by a majority of the league captains in the league that is to be scheduled. These matches will be selected randomly within the league or flight. If the captains voting is a tie to add the additional randomly selected matches, the Local League Council would vote to determine if the matches would be added to the league.

2.01C(2) Team Match. Each team match in a local league shall consist of such number of individual matches of singles, doubles, or any combination thereof as determined by the local league. For each team match, a majority of the individual matches must actually be played to constitute a valid team match. The following procedure should be used when the combination of individual match defaults given by the two teams in the team match results, or would result, in a situation where the majority of the individual matches would not be played.

The first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, that can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards. If both captains cannot come to an agreement on what individual matches will be played to constitute a valid team match, based on the number of players present, or to be present, then the following individual matches will be assigned in sequential order to be played:

<u>Format</u>	<u>Required Matches in sequential order</u>	<u>Minimum # of Players Required for Each Team in Valid Team Match</u>
2 singles, 3 doubles	#1 and #2 singles, and #1 doubles (priority); #2 doubles if enough players present	4
1 singles, 4 doubles	#1 singles, #1 and #2 doubles (priority); #3 doubles if enough players present	5
2 singles, 2 doubles	#1 singles and #2 singles and #1 doubles (priority)	4
1 singles, 3 doubles	#1 singles and #1 doubles and #2 doubles (priority)	5
1 singles, 2 doubles	#1 singles and #1 doubles	3
<u>3 doubles</u>	<u>#1 and #2 doubles</u>	<u>4</u>

If both teams have enough players to play the match and it's discovered after-the-fact that a majority of the matches were not played to constitute a valid team match, both captains need to come to an agreement of what lines will be played to make the team match valid. If captains cannot come to an agreement, then the individual match(es) to be played will be assigned in sequential order in the above-mentioned table. If a captain does not comply

USTA SHREVEPORT BOSSIER REGULATIONS

For USTA League Tennis Adult and Mixed Divisions; USTA Southern Combo Division and Tri Level Division League Year 2019

with this regulation, then it may be considered a full-team default in favor of the opponents. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to national regulation 2.01C(5) on team default procedures.

2.01C(2)a- When the combination of individual match defaults given by the two teams in the team match results, or would result, in a situation where the majority of the individual matches would not be played, captains shall notify the Local League Coordinator who will reschedule the remaining unplayed individual matches.

2.01C(3) Match Scoring and Formats All matches in USTA Leagues and Southern Leagues shall be the best of three tiebreak sets with a set tie-break at 6-all. In the event of split sets, a match tie-break (10-point) shall be played in lieu of a third set with the two minute set break with no coaching allowed. The Coman tiebreak procedure shall be followed in all tiebreaks.

Procedures in the Event of a Tie for Local Play

In the event of a tie, the tie shall be broken by the first of the following procedures that does so:

- (1): Individual Matches. Winner of the most individual matches in the entire competition.
- (2): Head-to-head. Winner of head-to-head match.
- (3): Sets. Loser of the fewest number of sets.
- (4): Games. Loser of the fewest number of games.
- (5): Coin Toss

2.01C(5) Team Lineups The team captains shall exchange their lineups simultaneously prior to the start of team match. No substitution may be made in an individual match after the lineup has been presented, except for injury, illness or no-show of a player prior to the start of an individual match. A team may substitute a player in the affected position within the 15 minute default time, using a player not already listed on the lineup. The substitute player is entitled to a five (5) minute warm-up.

2.01C(5)a Team Defaults The defaulting team may be ineligible to advance beyond local league, but may be required to play the remainder of all local league matches. These matches will be recorded in TennisLink for the purposes of satisfying match play requirements for opponents and NTRP calculations for all players involved.

- All matches of a defaulting team may be removed from the stats and standings in Tennis Link (if multiple round robins, the defaulting team may be removed from all rounds of play), unless all teams with a mathematical chance to advance have already played the defaulting team in good faith, in which case, the matches shall stand as played when determining standings.
- Should this occur in a two-team league where only three team matches are scheduled, the team will immediately be removed from competition and the league rendered null and void. No team may advance from local league play from a two-team league where a default occurs regardless of the number of matches scheduled.
- The State League Coordinator, upon review of the facts and circumstances presented by the Local League Coordinator, may allow the team default to stand (scored as a 6-0, 6-0 loss on each individual match forfeited) thus allowing the team to remain eligible to advance beyond local competition.

2.01C(5)c Rescheduling Matches due to Inclement Weather : A match will be rescheduled if the wind chill is below 39 degrees one hour before the match is scheduled to begin, or if the courts are unplayable due to weather related causes (rain, snow, sleet, ect.), one hour before the match is scheduled to begin, as determined by the Head or Assistant Tennis Pro at the host facility. It is the responsibility of the hosting team's Captain to contact the Tennis Pro at the Host site to determine playability AND notify the Visiting Captain 1 hour before the match is scheduled to begin if the Match is to be rescheduled due to wind chill or weather. Cancelled matches cannot be rescinded. A new date must be selected within "1" week of the postponed match and played within "2" weeks of the scheduled match date or the Coordinator may set the make – up date. The new scheduled make - up match must be completed before the state deadline. When rain or inclement weather forces the cancellation and re-scheduling of a team match, line-ups would stand only for those individual courts that have already started (first serve attempt) their match. All other individual courts, even those that were in warm-up may be changed including defaulted courts. When determining weather, related to a match cancellation, go to www.nwlacta.com and click on the weather channel icon located on the bottom of the home page. You must enter the host facility zip code, which can be found on the link called Facility Map on the left side of the home page. This will be the universal weather source used by local facilities and pros.

2.01C(5)c(i) Rescheduling of Matches - Advancing Teams. A Local League match shall be rescheduled upon request if 50% of the minimum required players for the match are registered players on a team attending a National, Sectional or State Championship (See Chart Below). Consideration will be given for appropriate travel time to the Championship. All scheduled courts not affected should be played as scheduled. It is recommended to reschedule matches prior to the originally scheduled date and the two (2) week make up regulation will apply.
